AMBULANCE SERVICE REFERENDUM REPORT

The Council received the following report regarding petition concerning ambulance service referendum:

Pursuant to the request of the City Council I have completed examination of those certain petitions styled "Petition for Franchise Election pursuant to Articles 1181 and 1182 Vernon's Annotated Civil Statutes" filed with the City Council on September 14, 1967, and herewith report that there were on said petitions the names and residences of more than 500 persons who were found to appear qualified to vote.

Given under my hand and seal of office at Austin, Texas, this 7th day of November, 1967.

Elsie Woosley, City Clerk

The Council discussed the legal requirements for a referendum election on the ambulance franchise. The question arose concerning a technical lack of

clarity as to the request of the petitioners in the wording "...granting of an ambulance and transfer vehicle franchise to Austin Ambulance City of Austin as provided by law." A franchise ordinance had never been granted to "Austin Ambulance City of Austin", but the ordinance #670615-D granted a franchise to "Austin Transportation Company, Inc."

Also according to a memorandum furnished by Mr. Will Garwood, a professional examiner of documents, Mr. Ralph Queen found that many of the signatures were not authentic. Maurice Angly, representing Fishner pointed out that due to the fact that the "Austin Ambulance Service" was the only ambulance service in business at the time the petition was sufficiently drafted, and the number of signatures, whether registered voters or not, indicated a definite need for an election. City Attorney, Doren Eskew, stated that it was very unusual to have a referendum election with only 500 signatures, but that they were dealing with the old 1913 statute.

The Council agreed that the City Clerk's office should be assigned the responsibility to handle the matter of validating the signatures, and that they could hire additional employees if needed.
